

Jewellery / Tue, 31st December 2019 / Lot 271

### LOT 271

A pair of Victorian chalcedony pendant earrings, each with a tapered drop and a circular surmount, with wire fittings, length 6.5cm, and two faceted citrine pendant drops with gold tops, length 2cm.

Estimate: £40 - £60

---

### Condition Report

271. Chalcedony earrings ♦ there is a line inclusion across the top of one of the top circular sections that is a natural inclusion and does not go through the stone to the other side, slight variation of colour to the chalcedonies, otherwise in good condition.

Citrine drops ♦ are of medium to pale colour saturation, these drops are lacking their top fittings and would be appropriate for turning into earrings.
