LOT 825

A set of six early 20th century walnut Gothic Revival chairs with applied gilt metal mounts, the overstuffed seats raised on 'X' frame supports united by stretchers, height 97cm, width 52cm.

Estimate: £200 - £300

Condition Report

825. Three of the top finials are missing. All the chairs are structurally sound and have overall minor scuffs, marks and scrapes to the frames. There is some overall uneven polish to the surface, particularly around bases. When re-upholstered they have had later wooden panels inserted to the underside of the seats. The upholstery and fringes are a bit worn in places and has foam pads to the seats and backs.
