An early 20th century Queen Anne style walnut bookcase cabinet, the arched pediment above three astragal glazed doors, the base with panelled cupboard doors, raised on faceted bun feet, height 200cm, width 172cm, depth 35cm.

Estimate: £200 - £400

Condition Report

2001. General overall condition is good, with an overall even polish. Some minor surface scuffs and marks. One small chip to one piece of glass in the central door and a few very small chips to the right side where the top sits on the base. Appears that the right-hand door has been opened too far at some stage resulting in some cracks around the hinges, but this appears to have been restored and not really that visible. Interior bookcase depths - 23cm to side cupboards and 25cm to central cupboards. The shelves are all adjustable.
