LOT 603

A white gold, aquamarine and diamond ring, claw set with the cut cornered rectangular step cut aquamarine between diamond set three stone twist-over shoulders, detailed '750', ring size approx P1/2.

Estimate: £300 - £500

Condition Report

603. Relatively modern ring so the condition is generally good, but would certainly benefit from a clean. Minor surface abrasions to aquamarine, visible under magnification. Stone is slightly loose in its setting. Aquamarine approximately 1.1cm x 0.8cm x 0.5cm, approx 3.5ct-4ct. Diamonds are small and a carat weight has not been calculated.
