LOT 555

A gold, emerald and diamond ring, mounted with a square cut emerald within a surround of circular cut diamonds between diamond set shoulders and sides, detailed '750', ring size approx N1/2, emerald weight approx 3.20ct, total diamond weight approx 1.40ct, with a case.

Estimate: £1,400 - £1,800

Condition Report

555. This ring is relatively modern so condition is essentially as new with no damage or repairs. Stones also in good condition. The emerald has obvious inclusions visible to the naked eye with some streaks and a surface reaching inclusion to one corner. We do not believe the emerald has been treated. Diamonds are small, but are bright white and sparkly with some inclusions visible under magnification.
