

Clocks and Barometers / Thu, 23rd January 2020 / Lot 1192

### LOT 1192

A 20th century brass and magnified glass 'bullseye' desk timepiece, the dial with Roman hour numerals, height 10cm.

Estimate: £30 - £50

---

### Condition Report

1192. Winds smoothly and is currently running but hour hand does not move, even when the time is set/adjusted. Otherwise case is in generally good order with no damage to glass. Some light wear to metalwork.
