

Clocks and Barometers / Thu, 23rd January 2020 / Lot 1221

LOT 1221

An early 20th century desk timepiece, the drum cased movement with platform escapement, the dial formed from a piece of petrified wood with incised gilt Roman hour numerals and inscribed 'Payne & Co Tunbridge Wells', height 19cm.

Estimate: £40 - £60

Condition Report

1221. The timepiece does not wind or run. Otherwise it is in generally good condition with no significant damage or repairs to case, but some wear to gilt on dial and some wear to brass drum-shaped movement case and cover.
