

British and Continental Ceramics / Thu, 20th February 2020 / Lot 1405

LOT 1405

A Karl Ens model of a long-eared owl, height 26cm, a similar smaller Ens owl model, height 15cm, and an Ens group of two cranes, height 23.5cm.

Estimate: £60 - £100

Condition Report

1405. Smaller owl - some crazing, tiny nibble to leaf.

Cranes - small firing crack where the lower cranes neck joins the foliage. Otherwise ok.

Long-eared owl - good condition, no chips, cracks or repairs.
