

LOT 2517

Claire Jeanne Roberte Colinet - a French brown patinated cast bronze figure of a dancing semi-clad girl, the shaped pedestal bearing cast signature 'C.J.R. Colinet', raised on a circular green marble plinth, height 50.5cm.

Estimate: £500 - £800

Condition Report

2517. There are a number of small surface abrasions and scratches as well as a slight flattening off of one breast. There are some nice areas of casting, but also some slightly weak areas, particularly around the hands and feet. In our opinion it is slightly out of period, as it does not quite have the quality of casting you would expect from an early 20th century example.
