### LOT 2505

A late 19th century boxwood and ebony Staunton chess set by Jaques, London, with weighted bases, the white king marked 'Jaques London' to the lower edge, the rooks and knights with red crown marks, height of kings excluding cross finial 7.5cm (both kings lacking finial and a few other minor chips), contained within the original mahogany box, the lid interior bearing maker's label, width of box 18.5cm.

Estimate: £300 - £500

---

### Condition Report

2505. Both kings missing their cross finials.

The white queen has a tiny nick to edge of crown.

All four bishops have small chips to their pierced finials.

One black knight has a small hairline crack to its base.

One black queen has replaced baize base.

One pawn has a small hairline crack to its base.

Otherwise in generally good order with typical minor scuffs and surface wear.

All pieces appear to be matching set.
