

Jewellery / Wed, 19th February 2020 / Lot 587

### LOT 587

A 9ct gold, garnet and peridot brooch, designed as a spray with two floral clusters, bulrushes and fern fronds, Birmingham 1983 by A & W, width 6.7cm.

Estimate: £180 - £220

---

### Condition Report

587. The two darker green gemstones are possibly green tourmalines, we have not been able to test these. The principal fern spray and smaller bulrush are slightly bent, otherwise the brooch is in good condition. Weight 17.4g.
