

Silver and Plate / Wed, 19th February 2020 / Lot 387

LOT 387

A George III Sheffield plate coffee pot of Neoclassical urn form, height 28.5cm, together with a similar teapot of half-reeded circular form, height 15.5cm.

Estimate: £100 - £150

Condition Report

387. Coffee pot - generally in good condition with no significant damage or repairs. Few very minor dents to body, typical wear to highpoints revealing the copper beneath. Cover fits tightly. Small collar repair to the top of wood handle where it meets the plate mount.

Teapot - generally good condition, minor repair to hinge only really visible from inside. Typical light wear but no significant damage.
