

Jewellery / Wed, 19th February 2020 / Lot 501

## LOT 501

A gold, sapphire and diamond rectangular cluster ring, mounted with the rectangular step cut sapphire within a surround of circular cut diamonds, detailed '18ct', ring size approx K1/2, with a case.

Estimate: £150 - £250

---

## Condition Report

501. Generally the ring is in good condition with no significant damage or repair. Typical light surface wear to mount.

Sapphire and diamonds in good order with no significant damage, just typical light surface abrasions. This is not a modern ring, it certainly has some age to it. Sapphire is untreated and an attractive mid-blue colour.

Diamonds are small so carat weight has not been calculated.
