LOT 2590

A 19th century naive reverse painting on glass, depicting Windsor Castle and the bridge over the Thames, 39cm x 60cm, within a painted pine frame, together with another similar reverse painting on glass, within a maple frame.

Estimate: £60 - £100

Condition Report

2590. Both are a bit grubby but this is mainly the glass. Both frames have fairly minor scuffs and marks. The Windsor picture has a very small area of flaking to the paint on right side. The other landscape scene has some small areas of surface deterioration to the paint.
