LOT 2019

Estimate: £400 - £600

Condition Report

2019. The base which appears to be fairly original has typical deterioration to bases of the feet, some restoration of drawer runners and lack of locks to drawers. The top surface of the base is very much of the period but it might possibly have been married up at some stage. The feet of the rack are definitely replaced and the rack might well be also a later piece.
