LOT 2223

A near set of four mid-19th century fruitwood and elm bar back Windsor chairs, the solid seats raised on turned legs, height 85cm, width 40cm.

Estimate: £50 - £80

Condition Report

2223. No signs of woodworm and in reasonably good order. They are useable, however, the backs on two of the chairs are very slightly wobbly. One chair has a small section of its bar back missing and they all have typical surface wear.
