## LOT 2040

A late George III mahogany architect's table, the hinged top with ratchet strut and rail, the frieze fitted with two drawers, raised on square tapering legs terminating in brass caps and castors, height 85cm, width 83cm, depth 54cm.

Estimate: £400 - £600

---

## Condition Report

2040. Generally good overall condition and appearance, having some slight sun fading to front edge of right side, a small split to the edge of the rear panel and some well restored sections of veneer to the front. The handles appear to have been changed but they have been placed over the old holes. Otherwise, there are just some old scuffs, marks and scratches commensurate with its age.
