

Jewellery / Wed, 19th February 2020 / Lot 612

LOT 612

A platinum, 18ct white gold, diamond and ruby ring, mounted with the principal asscher cut diamond within a surround of variously cut rubies and an outer border of circular cut diamonds in a square canted corner design, between diamond set single stone shoulders, ring size approx L1/2, principal diamond weight approx 0.55ct.

Estimate: £2,000 - £2,500

Condition Report

612. Very attractive nicely proportioned ring. this is a relatively new ring, so essentially the condition is as new. Diamonds are bright, whit and sparkly, rubies are vibrant. Mount in very good order. Weight 4.5g.
