LOT 2667

A large set of four late 19th century green painted cast iron and tin ceiling lights, by D.W. Windsor, Herts, England, mounted as one and fitted with later plastic shades, height 51cm, width 120cm.

Estimate: £80 - £120

Condition Report

2667. The lanterns have been re-painted at some stage, the shades are plastic, so presumably later replacements. The tubular structure that holds the four lanterns together is a later addition. They are currently wired but would need to be looked at professionally.
