

Collectors' Items, Works of Art and Light Fittings / Friday, 21st February 2020 / Lot 2522

## LOT 2522

An early 20th century American oversized magnifying glass globe desk timepiece, the white enamel circular dial with subsidiary hour, twenty-four hour and seconds dials, framed by an outer Roman numeral minute ring, inscribed '8 Days Elgin', the eight day single barrel keyless wind movement with three-quarter plate, detailed 'Elgin National Watch Co Made in U.S.A., 8 Days' and numbered '28201638', the plated and glass spherical case with winder and ring surmount, height 20.5cm.

Estimate: £800 - £1,200

---

## Condition Report

2522. There is some slight wear and areas of surface discolouration to the plating. The glass has a few minor surface scuffs and scratches. There is also one tiny bruise showing on the very edge of the glass where it joins the central band. There is one hand missing but otherwise the dial appears to be ok. The movement seems to be in working order.
