LOT 2006

A 19th century yew and elm pierced splat back Windsor armchair, the solid seat raised on turned legs united by a crinoline stretcher, height 106cm, width 55cm.

Estimate: £120 - £150

Condition Report

2006. Please note that this chair is not made of yew, it is ash framed. There is a split to the front right corner of the seat and two small cracks to the left side of the seat. The legs and stretcher joints are a bit loose, but otherwise just some typical wear and scuffs.
