

Furniture / Friday, 20th March 2020 / Lot 2148

### LOT 2148

A George III mahogany rectangular dining table with single extra leaf, raised on turned columns and sabre legs, height 74cm, length 188cm, depth 108cm.

Estimate: £150 - £250

---

### Condition Report

2148. The top is a good consistent colour, but has a few minor surface scratches. The two column bases and the top probably started life together, however the structure underneath the top has been replaced at some stage, as quite often happens. Structurally sound, but missing one clip.
