LOT 2120

A 20th century mahogany butler's stand, in the manner of Gillows, the central cutlery tray flanked by rounded plate holders, above an undertier raised on turned legs, height 69cm, width 112cm, depth 36cm.

Estimate: £500 - £800

Condition Report

2120. While there are sections that appear to have some age, there seems to be substantial area that are later than 19th century. There are some overall scuffs and marks. The metal support brackets appear to be of the same period as the piece, but stained to appear older. It appears that the piece has probably been made in the 20th century.
