LOT 2093

A George V beech framed elbow chair, the caned seat and back within a barley twist frame, width 54cm, together with another elbow chair and a side chair, both with woven seats.

Estimate: £30 - £50

Condition Report

2093. Some of the back joints are loose on the ladder back elbow chair, but if these were glued then it would be fine. The rest are all ok and could be used.
