LOT 655

A gold, opal and diamond oval cluster ring, claw set with an oval opal within a surround of circular cut diamonds, detailed '18ct', ring size approx O1/2, with a case.

Estimate: £400 - £500

Condition Report

655. There is slight surface wear to the opal which would benefit from professional re-polishing. The opal however has an attractive play of orange, green and violet colours. The surrounding diamonds slightly draw colour. The ring generally would benefit from careful professional cleaning. The 18ct mark is rather faint. Overall an attractive ring in fairly good condition. Weight 8.8g.
