### LOT 1617

A Bohemian, probably for the Islamic market, blue glass and foliate gilt decorated drinks set, comprising two graduated decanters and stoppers, a jar and cover and a circular tray, together with a group of other blue glassware (minor faults).

Estimate: £50 - £70

### Condition Report

1617. Tray - typical wear/rubbing to gilding where handled and where object sits. Typical scratches through general wear/usage to underside.

Large decanter - glued repair to rim and nick. Typical wear, as with tray, which applies to all pieces in the Lot.

Small decanter - no chips, cracks or repairs.

Jar & cover - ok.

Remaining items in Lot - generally in good condition overall, only one item with significant damage.
