

Cameras and Scientific Instruments / Thursday, 19th March 2020 / Lot 1272

LOT 1272

A collection of cameras and accessories, including a Fuji GS645 S Professional camera, boxed, a Fuji GA645 Professional camera, a Zeiss Ikon Contina camera, an Agfa Isolette camera and a Canon Canonet camera.

Estimate: £50 - £100

Condition Report

1272. The Fuji GS645 S appears to be in good clean condition with no apparent damage to body or lens. The camera winds and fires as it should.

The Fuji GA645 professional appears to be in generally good order cosmetically with lens in good order. Not currently working, presumably needs new batteries.
