LOT 2164

A William IV mahogany footstool, on reeded tapering legs, height 19cm, width 37cm, together with another 19th century footstool, an early 20th century long rectangular stool and a dressing table stool.

Estimate: £40 - £60

Condition Report

2164. The reeded leg stool is in fair condition with just a few surface bumps. The stool with the squat legs has a crack to two of its legs, but is ok otherwise. The stool with the pierced supports has two damaged corner brackets and the other stool is a bit scuffed and marked.
