LOT 2160

A pair of Regency mahogany framed tub back armchairs, upholstered in cream satin, on gilt metal mounted turned legs and brass castors, height 88cm, width 69cm.

Estimate: £300 - £500

Condition Report

2160. Chair 1 - structurally sound, a few small stains to upholstery and a little grubby at front of seat. The top lobe of left armrest has a small section of replaced wood. One rear leg has a chip to back edge. The other leg has a repaired crack. Otherwise ok.

Chair 2 - structurally sound, overall the upholstery is quite clean. The front seat rail surface is a bit cleaned off near the joints, some possible signs of an old restoration or securing of joint. One rear leg has a chip to the back edge of its base.

Both chairs possibly have had the rear castors changed, they are good quality, but are a bit smaller than the base section of the legs.
