LOT 4024

A late Victorian Arts and Crafts ebonized ash Sussex side chair, probably by Morris & Co and thought to be designed by Ford Maddox Brown, the 'X' frame back above a rounded rush seat, on ring turned legs united by stretchers, height 81cm, width 44.5cm (some faults).

Estimate: £60 - £100

Condition Report

4024. Some overall, but fairly minor, wear to the surface. The rear section and right-hand section of the seat trim is missing. The left front leg has a thin crack running from its base to the second stretcher. One of the front seat corner blocks has a small crack and there is some damage to the seat rushing. Structurally the chair is quite wobbly.
