## LOT 1007

A Chinese famille verte porcelain bottle vase, late Qing dynasty, of double gourd form painted with a green dragon above an iron red dragon and flaming pearl, between iron red and yellow key fret rim and crashing waves below, unmarked, height 21.2cm (fitted with brass table lamp fitting).

Estimate: £150 - £250

## Condition Report

1007. In good condition overall with no cracks, chips or restoration. Typical light surface wear and surface scratches. The brass lamp fitting does not come off. I would suggest the interior of the vase is filled as it feels weighty and this is keeping the fitting in place. The vase is not drilled.
