## LOT 2003

A Regency giltwood and gesso convex girandole wall mirror, the floral scroll surmount above a fruiting vine frame, the acanthus leaf apron flanked by a pair of scrolling branches, height 77cm, width 62cm (later gilded).

Estimate: £80 - £120

---

## Condition Report

2003. The general appearance is reasonably good. Re-gilded and with some repairs, visible from back. Right hand branch is slightly loose and the sconces are later. Having looked at the glass and the level of restoration, we would think that it is probably later. Depth 15cm. Weight approx 5kg.
