### LOT 2008

A mid-Victorian needlework box seat stool of canted square form, one side with open arch to form a cat bed above a giltwood plinth, height 49cm, width 35cm.

Estimate: £50 - £80

---

### Condition Report

2008. One particular colour of wool has corroded leaving some lines of loss to the decoration. Otherwise some light surface wear and chips to the corners of the gilt moulded base. Only two castors are fitted to the underside, with two missing.
