LOT 2164

A late Victorian gilt composition shaped oval wall mirror, the fern frond surmount above an ovolo strapwork border, height 102cm, width 61cm.

Estimate: £80 - £120

Condition Report

2164. There are a few fairly typical cracks through the gesso and composition moulding, particularly to the curled leaves. Some areas of flaking to the gilt surface, a few very small chips to the edges and one small piece of beading detached. It appears as though it has undergone some level of overall restoration within the 20th century, but has been nicely re-gilded.
