### Condition Report

627. Ruby ♦ the pear shaped ruby is of attractive rich colour, there are a few surface reaching inclusions, some of which are more apparent to the underside of the stone. Otherwise in good condition. Approx 1.5ct.

Yellow Sapphire ♦ medium to pale colour saturation, with some variation to the colour saturation throughout the stone. The proportions of the underside of the stone are not perfectly symmetrical, the culet point is somewhat of centre. The accompanying original purchase receipt states that the yellow sapphires weighs 5.70carats, this has not been verified by us.

Jade Cabochon ♦ slightly mottled slight spinach colour, otherwise in good condition. 1.5cm x 1.1cm and very shallow, no carat weight available.
