## Condition Report

1094. Generally good condition with no significant damage or repairs. The watch winds and adjusts smoothly and is currently in working order, but please be aware we give no guarantees to working order or reliability of any clock or watch. The dial is in good clean condition. The raised braille indicators are all present, but they are slightly discoloured and a few have minor chips to tips. Case is a bit worn with typical surface scratches and wear, and a few small dents to front and back.
