LOT 2107

A late 19th/early 20th century oak framed artist's easel by Lechertier Barbe & Co, width 56cm.

Estimate: £80 - £120

Condition Report

2107. Typical scuffs, marks, paint and wear to surface. The mechanism is in working order, but does not come with a winding handle. The minimum height is 178cm. There is evidence of old historic and fairly minor woodworm through the central support and base.
