LOT 2076

A mid-20th century Danish teak chest of six drawers, height 121cm, width 85cm, depth 41cm, together with a similar side cabinet, height 113cm, width 76cm, depth 42cm.

Estimate: £80 - £120

Condition Report

2076. The chest has some minor surface scratches to the top and front. The handle trim on the top drawer is slightly loose. The legs are screw-on so a bit loose, but not damaged.

The cabinet is in generally good order, however the support bar that the two rear legs fit on to is slightly warped, making both legs turn inwards slightly.
