LOT 2439

A late Victorian Tunbridge ware tape measure of octagonal form, the underside bearing label detailed 'T. Barton late Nye, Manufacturer...', height 5.4cm.

Estimate: £50 - £80

Condition Report

2439. Some overall light surface wear and uneven polish, but otherwise in good order. The label is a little rubbed. Presuming this may in fact be a cotton dispenser, it probably would not have had a tape measure, as this is not present.
