LOT 2428

A mid-19th century painted silhouette portrait miniature, depicting the profile of a gentleman, 8cm x 6.5cm, within a black and gilt metal frame, the reverse detailed 'Miers & Field... Profile Painters, Jewellers, Seal Engravers... ', together with two other portrait miniatures.

Estimate: £40 - £60

Condition Report

2428. The silhouette is un-inspected out of its frame but appears to be in fairly good order. The glass cover is a little bit dirty, but it looks like the paper seems clean and free from any foxing. The frame is a little worn with two corners having small chips. The label to reverse is torn where it has been taken out previously.
