

Collectors' Items, Works of Art and Light Fittings / Thursday, 6th August 2020 / Lot 2503

LOT 2503

A Victorian Tunbridge ware desk thermometer and compass by T. Barton, the circular top inset with a glazed compass above an octagonal pedestal, one side with engraved ivory scale and damaged thermometer, the underside with paper label inscribed 'T. Barton Manufacturer Mount Ephraim Tunbridge Wells', height 14cm.

Estimate: £150 - £250

Condition Report

2503. Thermometer bulb is broken. Otherwise there is just an overall uneven polish to the surface giving it a slightly rough surface. Also some slight dirt on the underside of the glass compass cover.
