

Furniture / Thursday, 6th August 2020 / Lot 2140

LOT 2140

A late 19th/early 20th century stained softwood sculptor's stand with adjustable top and chamfered supports, height 107cm (faults).

Estimate: £200 - £300

Condition Report

2140. Overall old filled woodworm throughout as well as some live woodworm in need of treating. The woodworm has not affected it structurally, however it is quite prevalent. There are two cracks.
