LOT 538

A pair of gold and diamond pendant cluster earrings, each cluster drop mounted with the principal cushion cut diamond within a surround of small circular cut diamonds and a row of circular cut diamonds above, with wire fittings, length 3.5cm, with a case.

Estimate: £850 - £950

Condition Report

538. The diamonds slightly draw colour. The principal diamonds have one or two internal inclusions. There are no apparent marks to the gold. The earrings are of fairly recent manufacture. Weight 4.6g. Gold is not marked but looks like a high carat, probably 18ct.
