LOT 598

A gold stickpin, the glazed terminal decorated with a vintage motor vehicle, length 7.4cm, cased, and a diamond and cultured pearl stickpin, claw set with a cushion cut diamond above a single cultured pearl.

Estimate: £200 - £250

Condition Report

598. Motor Vehicle stickpin - the glazed motor vehicle scene is of fairly crude quality and is a coloured printed design. It is not a reverse painted intaglio crystal. The top of the stickpin has been remounted to the pin in the past. In generally good condition. Cultured pearl and diamond stickpin - the old cut diamond is an attractive white stone, with one or two internal inclusions. The cultured pearl has attractive creamy lustre. Overall in good condition. There are no hallmarks to either piece.

Weights 3.8g and 1.8g.
