LOT 568

An emerald and diamond ring in a three row design, mounted with three rows of three square cut emeralds and otherwise set with rows of circular cut diamonds, ring size approx N.

Estimate: £350 - £400

Condition Report

568. Generally in fairly good condition with typical surface scratches and wear. Stones are generally ok with some surface abrasions, particularly to emeralds. One of the three front emeralds has a chip to the table. The diamonds facing up are generally bright, white and sparkly, a couple have a very slight yellow tint. Weight 5.8g. Length of ring head 2.1cm, width of ring head 1.1cm.
