LOT 531

A black onyx and diamond pendant, the black onyx drop with a diamond set cap and a marquise shaped diamond set suspension, length 4cm.

Estimate: £100 - £150

Condition Report

531. Good condition with no significant damage or repairs. Typical light surface scratches. Each of the six vertical foliate panels on the cap have three small graduated circular cut diamonds. Suspension section between loop and cap also set with a single marquise shape diamond. Diamonds appear to be bright, white and sparkly but are fairly small, with a few speck inclusions visible under x10 magnification but nothing obvious to the naked eye.

Weight - 5.7g.
