

Dolls, Dolls' Houses and Accessories / Wed, 26th August 2020 / Lot 125

## LOT 125

A Tête Jumeau Bébé bisque head doll, size 9, with cork pate, brown wig in ringlets, pierced ears, brown glass eyes, finely painted eyebrows and lashes, open mouth showing upper teeth, fully jointed wood and composition body with label to rear, voice box (not working) and aperture, height 51cm, wearing a lace dress, undergarments, shoes and socks (re-strung, some paint chips to ear piercings, paint wear and surface marks to body, arms and legs).

Estimate: £400 - £600

---

## Condition Report

125. No cracks to the head. The rim which the pate attaches to does have some old chipping, this does not affect the look. Three small chips to the base of the neck and the pierced ears. Paint wear and surface marks to the body, arms and legs.
