

Furniture / Friday, 4th September 2020 / Lot 2114

LOT 2114

An Edwardian brass Corinthian column telescopic lamp standard, raised on a stepped square base and claw feet, height 142cm.

Estimate: £60 - £100

Condition Report

2114. Extended height 194cm. General surface dirt and in need of a polish. The locking mechanism for tightening the stem when lifted does not seem to be working.
