LOT 2229

A set of eight early 20th century mahogany and satinwood crossbanded dining chairs with cream leather drop-in seats, comprising two carvers and six standards, carver height 93cm, width 53cm.

Estimate: £100 - £200

Condition Report

2229. All chairs are structurally sound. One chair has a very small and minor crack to rear support, but only seems to be on the surface. Otherwise there is overall surface wear to some corners and edges with some general surface scuffs and marks.
