### LOT 2003

An early 20th century Middle Eastern hardwood and mother-of-pearl hexagonal occasional table, profusely decorated with overall geometric patterns, height 66cm, width 58cm (some faults and loss).

Estimate: £100 - £200

---

### Condition Report

2003. Numerous areas of loss to the veneered surfaces of top and sides, with surface wear to edges of ebonizing around sides. Structurally sound and with no actual carcass missing.
